VISION

The main aim of the Godzone project is evangelization of the youth in Slovakia. We long to bring awakening, encouragement, unity and motivation. We know this world needs to hear the powerful message of the Gospel and we want to bring that in an attractive, creative and modern way.

GOALS

ENTER THE KINGDOM

We aim to unite and reach the young generation for the Kingdom. This project is here to help bringing spiritual awakening to Slovakia and offer the Gospel of Jesus Christ to people in a way that touches their hearts.

RELEASE PEOPLE TO SERVE FOR THE KINGDOM

We long to allow people to serve in full time ministry, allowing them to fully use their potential, gifting and talents from God and give them space to fulfill their personal mission.

BUILD THE GENERATION THAT SEEKS THE KINGDOM OF GOD

We long to help young people decide to live with Jesus Christ and show them where they can come and find their spiritual home. Our dream is to see a generation that seeks the Kingdom, a generation of people who are striving to bring the Kingdom to their ordinary lives. We dream to see people who know God bringing Kingdom principles into every area of society.

SUPPLY THE GENERATION THAT SEEKS THE KINGDOM OF GOD

Our goals is to support this generation by offering testimonies, sermons, podcasts, books, TV shows, formational courses and formational school so that this generation has means to grow in relationship with the Lord.

A six-day intensive summer camp for teenagers from 13 to 19 years old from all over Slovakia and Czech Republic. Although they experience a lot of fun, adventure and new friendships, it is not just an ordinary camp, full of activities and adrenaline. We want more here. We want to seek together what is in God's heart and experience a breakthrough where we no longer see hope. In addition to unusual competitions and games, there are evenings of worship and prayers, Holy Mass and sermons, that can encourage and show the way forward.

LEADERS' DINNER

GODZONE
PROJEKT

This dinner serves to meet christian leaders and partners of the project and introduce them to the vision of the next Godzone tour. The dinner is a space where we offer leaders and our partners the opportunity to participate in the Godzone tour. We don't want to do the tour ourselves, but we want to offer it as a tool. We believe that if other communities, priests and youth workers become acquainted with the vision of a given year of the tour, its evangelistic potential can be used even more fully.

12 YEARS OF GODZONE PROJECT

The journey of the Godzone project began in 2010. We gradually built a work that today includes various activities. For years, we have looked with awe and gratitude for where God calls us, how much He cares for us. We are thankful for meeting tens of thousands of people and proclaim to them the good news of the Gospel of Jesus Christ. We continue to desire to pursue this vision and build a generation of people who care about the Kingdom of God.
